

## Our special maintenance package

We are proud to introduce to you our all new service package specially tailored to make it easier on your pocket and more convenient for you.

The chart is meant to guide you through your entire service schedule from your first 10,000km to and beyond 100,000km.

This is to ensure your truck is maintained to the highest standards using only genuine parts thereby keeping your truck in top condition. Take advantage of these packages and save money.
